Hi - Crimson IT fixed the issue. Thanks!

Hi there - Have any been going into their spam? Both should be receiving them... We just sent CCAD but I will let our IT consultant know what's going on in case they can help.

I just sent them an email for their login information to test where they're ending up. Are you getting our emails?

Hi, Carol or Suzanne are still not receiving any e-blasts from CCA. Any update? Suzanne is requesting a test sent to both her and Carol. Is that something you can accommodate? LMK, thanks!

Their CCA emails have been removed so it's strange if they're still receiving emails to that address. Do you know the last e-blast they received so I can investigate?

Hi Joanne!

Good to see you this morning - Happy Monday!

Can you please make sure that the email addresses on file for both Carol and Suzanne account profiles are ending w/ downtownla.com? Neither of them are receiving CCA emails. Please let me know, thank you!
